Dear [name of person]:

We are writing to inform you of a recent security incident at Deaf Services Unlimited. This notification is sent pursuant to the Montana Data Breach Notification Statute (Montana Code § 2-6-1501).

Between January 13, 2020 and January 24, 2020, Deaf Services Unlimited experienced an email phishing scam which resulted in a breach of our email system. The data accessed may have included

personal information such as name, email address, mailing address, social security number, and bank account information.

To protect yourself from the possibility of identity theft, we recommend that you immediately place a fraud alert on your credit files. A fraud alert conveys a special message to anyone requesting your credit report that you suspect you were a victim of fraud. When you or someone else attempts to open a credit account in your name, the lender should take measures to verify that you have authorized the request. A fraud alert should not stop you from using your existing credit cards or other accounts, but it may slow down your ability to get new credit. An initial fraud alert is valid for ninety (90) days. To place a fraud alert on your credit reports, contact one of the three major credit reporting agencies at the appropriate number listed below or via their website. One agency will notify the other two on your behalf. You will then receive letters from the agencies with instructions on how to obtain a free copy of your credit report from each.

- Equifax (888)766-0008 or www.fraudalert.equifax.com
- Experian (888) 397-3742 or www.experian.com
- TransUnion (800) 680-7289 or www.transunion.com

You may also consider placing a Security Freeze on their credit reports. A Security Freeze prevents most potential creditors from viewing your credit reports and therefore, further restricts the opening of unauthorized accounts. For more information on placing a security freeze on your credit reports, please go to the Montana Attorney General website at <https://dojmt.gov/consumer/identity-theft/>.

When you receive a credit report from each agency, review the reports carefully. Look for accounts you did not open, inquiries from creditors that you did not initiate, and confirm that your personal information, such as home address and Social Security number, is accurate. If you see anything you do not understand or recognize, call the credit reporting agency at the telephone number on the report. You should also call your local police department and file a report of identity theft. Get and keep a copy of the police report because you may need to give copies to creditors to clear up your records or to access transaction records.

Even if you do not find signs of fraud on your credit reports, we recommend that you remain vigilant in reviewing your credit reports from the three major credit reporting agencies. You may obtain a free copy of your credit report once every 12 months by visiting www.annualcreditreport.com, calling toll-free 877-322-8228 or by completing an Annual Credit Request Form at: www.ftc.gov/bcp/menus/consumer/credit/rights.shtm and mailing to:

Annual Credit Report Request Service,
P.O. Box 1025281
