Definitions:

"Reproduction license plate" means a license that is a reproduction of the original license plate issued according to the provisions of **61-3-331**; section 53-116, R.C.M. 1947; section 1759.1, R.C.M. 1935; or section 1759, R.C.M. 1921; whichever section was effective during the year of the manufacture of the motor vehicle, trailer, semitrailer, or pole trailer on which the license plate is authorized to be displayed. **To qualify as a reproduction license plate, the reproduction plate must be made of metal, must be the same size and color as the original license plate, and must have the same design, including any embossed or raised letters or numbers, as the original license plate.**

Definition of personalized license plates. Personalized license plates, as used in **61-3-401** through **61-3-406**, are license plates that are specially produced and display a specific combination of letters or numbers, or both, expressly requested by the owner of the passenger motor vehicle.

I certify the choices I am applying for are printed exactly as I want them to appear on the license plate. I understand that the personalized plate application fee is nonrefundable and there will be no refunds for personalized plate orders once the order has been placed.
