#### **On a separate page, please detail:**

A 50 to 200 word typed artist statement describing the meaning of the artwork. The artist statement should enhance the audience's understanding of the artwork. Please remember, entries must be based on the theme of prescription drug abuse, addiction, and/or recovery.

Please also submit one to three digital image(s) of the artwork (and bearing the same name of the Title of Artwork as indicated on this form, then numbered) as high resolution (150-300 dpi) JPEGs or PDFs. The artwork should be photographed against a neutral backdrop free from clutter. This can be achieved by placing the artwork against a blank wall in a neutral color, or laying the artwork on a table covered by a plain, neutral color sheet.

Please refer to the full competition rules online at [ResolveMontana.org](http://ResolveMontana.org).
