NOTICE OF DATA BREACH	
What Happened	<p>Eagle Community Credit Union (“Eagle CCU”) is committed to the privacy of individuals and takes the protection of personal information that is entrusted to us seriously. This commitment extends to notifying individuals when their personal information may be at risk. Although we have no reason to believe that your information has been used to commit fraud or identity theft, we are writing to make you aware of a recent data security incident that may have involved some of your personal information. We recently discovered that, on February 24, 2020, someone outside of Eagle CCU temporarily accessed an Eagle CCU’s employee email account without authorization.</p> <p>Upon learning of the situation, we promptly contained the incident the morning of February 24, 2020 by securing the employee email account to prevent further access and began an initial internal investigation into the incident. We also hired a leading forensic security firm to further investigate the incident and confirm the security of our computer systems and network. The security firm’s investigation showed no internal wrongdoing and verified Eagle CCU computer systems and network are secure.</p> <p>On April 22, 2020, our investigation determined that the email account contained some of your personal information. At this point, we do not believe that the unauthorized third party’s motivation was to access the personal information contained in the email account and have no indication that any such information has been used for fraud or identity theft purposes. Nonetheless, we are providing you with this notice because your personal information was contained in the relevant account. We are also committed to taking steps to help prevent something like this from happening again, including reviewing our technical controls and increased security training for all staff members.</p>
What We Are Doing	<p>Although we are not aware of any instances of fraud or identity theft, we are offering a complimentary one-year membership of Experian IdentityWorksSM Credit 3B. This product helps detect possible misuse of your personal information and provides you with identity protection services focused on immediate identification and resolution of identity theft. IdentityWorks Credit 3B is completely free to you and enrolling in this program will not hurt your credit score. For more information on identity theft prevention and IdentityWorks Credit 3B, including instructions on how to activate your complimentary one-year membership, please see the additional information provided in this letter.</p>
What Information Was Involved	<p>As part of our investigation, we searched for any personal information that could have been viewed. The impacted information contained in the relevant email account varied by individual but may have included your name, financial account information, and/or your Social Security number.</p>

<p>What You Can Do</p>	<p>As a precautionary measure, we recommend you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").</p>						
<p>Other Important Information</p>	<p>You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps to you can take to avoid identity theft. For more information and to contact the FTC, please visit www.ftc.gov/idtheft or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at: Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.</p> <p>Credit Reports: You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting www.annualcreditreport.com, by calling toll free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at https://www.annualcreditreport.com/cra/requestformfinal.pdf.</p> <p>Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries is as follows:</p> <table border="0" data-bbox="354 842 1382 1010"> <tr> <td>Equifax 1-866-349-5191 www.equifax.com P.O. Box 740421 Atlanta, GA 30374</td> <td>Experian 1-888-397-3742 www.experian.com P.O. Box 9554 Allen, TX 75013</td> <td>TransUnion 1-800-888-4213 www.transunion.com P.O. Box 1000 Chester, PA 19016</td> </tr> </table> <p>Fraud Alerts: You may want to consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at http://www.annualcreditreport.com.</p> <p>Credit and Security Freezes: You may have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:</p> <table border="0" data-bbox="354 1608 1463 1776"> <tr> <td>Equifax Security Freeze 1-888-298-0045 www.equifax.com P.O. Box 160 Woodlyn, PA 19094</td> </tr> </table> <p>Individuals interacting with credit reporting agencies have rights under the Fair Credit Reporting Act. We encourage you to review your rights under the Fair Credit Reporting Act by visiting www.consumerfinance.gov/ff/201504_cfpb_summary_your-rights-under-fcra.pdf, or by requesting information in writing from the Consumer Response Center, Room 130-A, Federal Trade Commission, 600 Pennsylvania Ave. NW, Washington, DC 20580.</p>	Equifax 1-866-349-5191 www.equifax.com P.O.
