### ***NOTICE OF DATA BREACH***

Dear «Title» «Last\_Name»:

We are sending you this notice because of a recent data security incident that occurred at Steward Health Care System LLC (Steward) that may have involved your personal information. At this time, we are not aware of any misuse of your information.

#### **WHAT HAPPENED?**

On April 12, 2019, we became aware that an unauthorized person gained access to an email account of a Steward employee. Upon learning of the situation, we took immediate action to contain the incident and to prevent any further unauthorized access. After an extensive review, on April 26, 2019 we discovered that an email attachment located in the employee's email account contained certain information about you as a vendor to Steward. We are conducting an extensive forensic investigation into the matter, and thus far, we found no evidence that the unauthorized person accessed the file with your information.

#### **WHAT INFORMATION WAS INVOLVED?**

The information included in the email attachment contained your name, address, and your employer identification number (EIN)—also known as your tax identification number (TIN). Depending on how you established your EIN/TIN with the Internal Revenue Service, your EIN/TIN may be your Social Security number.

#### **WHAT WE ARE DOING**

Steward takes the protection of our vendor's personal information very seriously and we are committed to protecting it. Upon learning of the situation, we immediately began an investigation, quickly terminated the unauthorized person's access, and enlisted the assistance of a leading cybersecurity forensics firm to investigate this matter. The investigation is ongoing and Steward will assess the findings of the investigation as part of our persistent efforts to identify and prevent cybersecurity threats.

As noted above, there is no indication that your personal information has been misused at this time. Nevertheless, as an added precaution, Steward would like to offer you 12 months of credit monitoring from Experian at no cost to you. If you would like to put such monitoring in place, you can activate the credit monitoring product by taking the following steps no later than August 17, 2019.

## GENERAL INFORMATION ABOUT IDENTITY THEFT PROTECTION

You should remain vigilant for incidents of fraud and identity theft by reviewing credit card account statements and monitoring your credit report for unauthorized activity.

**Credit Reports.** Under federal law, you are entitled to one free copy of your credit report every 12 months from each of the three nationwide credit reporting agencies. You may obtain a free copy of your credit report by going to [www.AnnualCreditReport.com](http://www.AnnualCreditReport.com) or by calling (877) 322-8228. You also may complete the Annual Credit Report Request Form available from the FTC at [www.consumer.ftc.gov/articles/pdf-0093-annual-report-request-form.pdf](http://www.consumer.ftc.gov/articles/pdf-0093-annual-report-request-form.pdf), and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

**You may contact the nationwide credit reporting agencies at:**

**Fraud Alert.** You may place a fraud alert in your file by calling one of the three nationwide credit reporting agencies above. A fraud alert tells creditors to follow certain procedures, including contacting you before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit.

**Place a Security Freeze on your Credit Report.** You also have the right to place a security freeze on your credit report by contacting any of the credit bureaus listed at above. A security freeze is intended to prevent credit, loans and services from being approved in your name without your consent. To place a security freeze on your credit report, you may be able to use an online process, an automated telephone line or a written request. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. The consumer reporting agency may charge a fee of up to \$5.00 to place a freeze or lift or remove a freeze and free if you are a victim of identity theft or the spouse of a victim of identity theft, and you have submitted a valid police report relating to the identity theft incident to the consumer reporting agency.
