

## NOTICE OF DATA BREACH

Dear Customer:

Century was informed on February 8<sup>th</sup>, 2017 by our 3<sup>rd</sup> Party Ecommerce Provider (Aptos) that their software platform which hosts centurymartialarts.com experienced a data breach. The investigation by Aptos and the FBI Cyber Crimes Division indicates the intrusion began in February 2016 and ended in December 2016. During this time the attackers gained access to customer information. To date we have no confirmation that any card or personal data has been misused. As a precautionary step Aptos worked with law enforcement to provide the numbers of the affected cards to the issuers for additional security monitoring.

### What Information Was Involved?

The information the attacker had access to was first and last name, address, phone number and any credit or debit card numbers with expiration dates.

### What Is Being Done To Secure The Platform?

Our 3<sup>rd</sup> Party Provider hired Mandiant, a leading cybersecurity firm, which completed the removal of the malware from their servers and continues to actively monitor their platform to safeguard personal information going forward. Aptos is also fully cooperating with federal law enforcement in an effort to bring to justice the perpetrator.

### What We Recommend To Our Customers:

To protect yourself from the possibility of identity or credit card theft we recommend you immediately contact your credit or debit card company and inform them that your card information may have been compromised so they can issue you a replacement card. Also please review your banking and credit card statements and report any suspicious activity to the relevant financial institutions.

### Century's Promise To Our Customers

We deeply regret this breach occurred despite the many security safeguards which are in place.- Once again we have been assured by Aptos that this issue has been resolved and our site is secure for future transactions.

We are committed to secure your personal information by holding our vendors to the highest business standards.
