**Re: Notice of Data Breach**

Dear <<Name 1>>:

We recently learned that we were the victims of a sophisticated cyber-attack that may affect the security of your payment information. We are providing you with information about the incident, steps we are taking in response, and steps you can take to protect against fraud should you feel it is appropriate.

**What Happened?** On October 6, 2017, while in the process of running routine scans, we identified some unusual code that was running on our website. On that same day, we discovered that we were the victim of a sophisticated cyber-attack that resulted in the potential compromise of some customers' debit and credit card data used at [www.fightgear.com](http://www.fightgear.com), [www.fitness1st.com](http://www.fitness1st.com), [www.ringside.com](http://www.ringside.com), and [www.combatsports.com](http://www.combatsports.com) between July 1, 2015 and October 6, 2017.

Since that time, we have been working with third-party forensic investigators to determine what happened, what information was affected and to implement additional procedures to further protect the security of customer debit and credit cards. We removed the malware at issue to prevent any further unauthorized access to customer debit or credit card information. You can safely use your payment card at our websites.

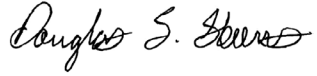

**What Information Was Involved?** Through the ongoing third-party forensic investigations, we confirmed on October 6, 2017 that malware may have stolen credit or debit card data from some credit and debit cards used at [www.fightgear.com](http://www.fightgear.com), [www.fitness1st.com](http://www.fitness1st.com), [www.ringside.com](http://www.ringside.com), and [www.combatsports.com](http://www.combatsports.com) between July 1, 2015 and October 6, 2017. The information at risk as a result of this event includes the cardholder's name, address, card number, expiration date and CVV.

**What We Are Doing.** We take the security of our customers' information extremely seriously, and we apologize for the inconvenience this incident has caused. We continue to work with third-party forensic investigators to ensure the security of our systems.

**What You Can Do.** Please review the enclosed Privacy Safeguards Information for additional information on how to better protect against identity theft and fraud. We encourage you to remain vigilant against incidents of identity theft by reviewing your account statements regularly and monitoring your credit reports for suspicious activity. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit bureaus. To order a free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of their credit report.

**For More Information.** We are very sorry for any inconvenience or concern this incident causes you. The security of your information is a priority for us. Should you have any questions about the content of this letter or ways you can better protect yourself from the possibility of identity theft, we encourage you to call the dedicated assistance line, staffed by professionals who are experienced in working through situations like this, at 888-396-9597 between 9:00 a.m. and 9:00 p.m. EST, Monday through Friday, excluding major holidays.

Sincerely,

A handwritten signature in black ink that reads "Douglas S. Skeens". The signature is written in a cursive style with a large initial "D" and a stylized "S".

## PRIVACY SAFEGUARDS INFORMATION

We encourage you to remain vigilant against incidents of identity theft and fraud, to review your account statements, and to monitor your credit reports for suspicious activity. Under U.S. law you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

At no charge, you can also have these credit bureaus place a “fraud alert” on your file that alerts creditors to take additional steps to verify your identity prior to granting credit in your name. Note, however, that because it tells creditors to follow certain procedures to protect you, it may also delay your ability to obtain credit while the agency verifies your identity. As soon as one credit bureau confirms your fraud alert, the others are notified to place fraud alerts on your file. Should you wish to place a fraud alert, or should you have any questions regarding your credit report, please contact any one of the agencies listed below.

You may also place a security freeze on your credit reports. A security freeze prohibits a credit bureau from releasing any information from a consumer’s credit report without the consumer’s written authorization. However, please be advised that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing, or other services. If you have been a victim of identity theft, and you provide the credit bureau with a valid police report, it cannot charge you to place, lift or remove a security freeze. In all other cases, a credit bureau may charge you a fee to place, temporarily lift, or permanently remove a security freeze. You will need to place a security freeze separately with each of the three major credit bureaus listed above if you wish to place a freeze on all of your credit files. To find out more on how to place a security freeze, you can use the following contact information:
