NOTICE OF DATA SECURITY INCIDENT

Dear «First Name» «Last Name»,

We are writing to inform you of a data security incident experienced by Arkansas Teacher Retirement System (“ARTRS”) that may have impacted your personal information, including your name and Social Security number. We respect the privacy and security of your information, and deeply regret the concern and inconvenience this may cause you. This letter contains information about steps you can take to protect your information, and resources we are making available to help you.

WHAT HAPPENED

On February 4, 2020, ARTRS received reports of suspicious activity associated with an agency email account. ARTRS immediately began an internal investigation and hired independent computer forensic investigators to assist. The forensic investigators found that an unauthorized user had gained access to one email account for a limited period of time. ARTRS’ forensic investigator conducted an in-depth review of the email account to determine what personal information may have been stored in the account, and to identify contact information of potentially affected individuals.

WHAT INFORMATION WAS INVOLVED

On March 31, 2020, the forensic investigation found that the affected email account may have contained your name and Social Security number. For a limited number of individuals, financial account information, address, and date of birth may have also been included. The investigation found no evidence that this information was actually misused during this event. But we wanted to let you know about this incident out of an abundance of caution.

WHAT WE ARE DOING

We are taking steps to help prevent this type of incident from occurring in the future. Since the incident, the account password for the affected email account was changed, and we are in the process of enabling multi-factor authentication on all email accounts within the organization.

Although we are not aware of any misuse of your information, as a safeguard, we have arranged for you to enroll in credit monitoring and identity protection services provided by MyIDCare™ powered by ID Experts at no cost to you. MyIDCare services include: 12 months of Credit and CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed ID theft recovery services. With this protection, MyIDCare will help you resolve issues if your identity is compromised.

HOW TO ENROLL

We encourage you to contact ID Experts with any questions and to enroll in free MyIDCare services by calling 1-833-979-2229 or going to <https://ide.myidcare.com/artrs> and using the Enrollment Code provided above. MyIDCare experts are available Monday through Friday from 8 am - 8 pm Central Time. **Please note the deadline to enroll is August 8, 2020.**

FOR MORE INFORMATION

You will find detailed instructions for enrollment on the enclosed Recommended Steps document. Also, you will need to reference the enrollment code at the top of this letter when calling or enrolling online, so please do not discard this letter. For questions related to this incident, please call 1-833-979-2229 or go to <https://ide.myidcare.com/artrs>.

Your trust is a top priority for us, and we deeply regret any inconvenience or concern that this matter may cause you.

Sincerely,

A handwritten signature in black ink, appearing to read "Clint Rhoden", with a long horizontal flourish extending to the right.

Clint Rhoden
Executive Director

Recommended Steps to help Protect your Information

1. Website and Enrollment. Go to <https://ide.myidcare.com/arttrs> and follow the instructions for enrollment using your Enrollment Code provided at the top of the letter.

2. Activate the credit monitoring provided as part of your MyIDCare membership. The monitoring included in the membership must be activated to be effective. Note: You must have established credit and access to a computer and the internet to use this service. If you need assistance, MyIDCare will be able to assist you.

3. Telephone. Contact MyIDCare at 1-833-979-2229 to gain additional information about this event and speak with knowledgeable representatives about the appropriate steps to take to protect your credit identity.

4. Review your credit reports. We recommend that you remain vigilant by reviewing account statements and monitoring credit reports. Under federal law, you also are entitled every 12 months to one free copy of your credit report from each of the three major credit reporting companies. To obtain a free annual credit report, go to www.annualcreditreport.com or call 1-877-322-8228. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months.

If you discover any suspicious items and have enrolled in MyIDCare, notify them immediately by calling or by logging into the MyIDCare website and filing a request for help.

If you file a request for help or report suspicious activity, you will be contacted by a member of our ID Care team who will help you determine the cause of the suspicious items. In the unlikely event that you fall victim to identity theft as a consequence of this incident, you will be assigned an ID Care Specialist who will work on your behalf to identify, stop and reverse the damage quickly.

You should also know that you have the right to file a police report if you ever experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide some kind of proof that you have been a victim. A police report is often required to dispute fraudulent items. You can report suspected incidents of identity theft to local law enforcement or to the Attorney General.

5. Place Fraud Alerts with the three credit bureaus. If you choose to place a fraud alert, we recommend you do this after activating your credit monitoring. You can place a fraud alert at one of the three major credit bureaus by phone and also via Experian's or Equifax's website. A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. The contact information for all three bureaus is as follows:

Credit Bureaus

Equifax Fraud Reporting
1-866-349-5191
P.O. Box 105069
Atlanta, GA 30348-5069
www.equifax.com

Experian Fraud Reporting
1-888-397-3742
P.O. Box 9554
Allen, TX 75013
www.experian.com

TransUnion Fraud Reporting
1-800-680-7289
P.O. Box 2000
Chester, PA 19022-2000
www.transunion.com

It is necessary to contact only ONE of these bureaus and use only ONE of these methods. As soon as one of the three bureaus confirms your fraud alert, the others are notified to place alerts on their records as well. You will receive confirmation letters in the mail and will then be able to order all three credit reports, free of charge, for your review. An initial fraud alert will last for one year.

Please Note: No one is allowed to place a fraud alert on your credit report except you.

6. Security Freeze. By placing a security freeze, someone who fraudulently acquires your personal identifying information will not be able to use that information to open new accounts or borrow money in your name. You will need to contact the three national credit reporting bureaus listed above to place the freeze. Keep in mind that when you place the freeze, you will not be able to borrow money, obtain instant credit, or get a new credit card until you temporarily lift or permanently remove the freeze. There is no cost to freeze or unfreeze your credit files.

7. You can obtain additional information about the steps you can take to avoid identity theft from the following agencies. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them.

California Residents: Visit the California Office of Privacy Protection (www.oag.ca.gov/privacy) for additional information on protection against identity theft.
