Re: NOTICE OF [SECURITY INCIDENT] / [DATA BREACH]

Dear Sample A. Sample:

Acorda Therapeutics, Inc. (“Company”) writes to notify you of a security incident that may affect the privacy of some of your information. This letter provides details of the incident, our response, and steps you may take to better protect against possible misuse of your information, should you feel it appropriate to do so.

What Happened? In January 2022, we became aware of suspicious activity related to our business email environment. We immediately took steps to secure the email environment and launched an investigation to determine the full nature and scope of this activity. Our investigation determined that an unknown actor gained access to certain Company emails on or around December 15, 2021. We began reviewing the contents of the potentially affected emails to determine what, if any, sensitive information may have been contained therein. This process was completed on April 27, 2022. We thereafter worked to reconcile the information with our internal records to identify any individuals whose data may have been compromised and obtain their appropriate contact information. We are providing this notice to you because we understand, based on our investigation, that your information was present in an impacted email account during the period of unauthorized access.

What Information Was Involved? We determined that the following information related to you was present in the relevant emails at the time of this incident: name and [Extra2]. While we have no evidence that any of your information was used for identity theft or fraud as a result of the event, we are notifying you out of an abundance of caution and providing information and resources to help protect your personal information, should you feel it appropriate to do so.

What We Are Doing. We take the confidentiality, privacy, and security of information in our care seriously. Upon discovery, we immediately commenced an investigation to confirm the nature and scope of the incident. We also took immediate steps to implement additional safeguards and we continue to review our procedures and tools to improve on existing security.

Monitor Your Accounts

Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer’s express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a credit freeze, please contact the three major credit reporting bureaus listed below:
