

# Montana DOJ Kit Track Portal Guide

## Medical Facilities

### 1. Register with ePass & Signing In

You must have a registered account with Montana ePass to access the Montana Kit Track Portal. If you already have registered with ePass and are signing in, proceed to Step 2 below.

- Navigate to the Kit Track Portal URL: <https://svc.mt.gov/doj/kittrack>
- The browser will redirect to the ePass Montana login page.
- Select the hyperlink “here” to create a new ePass account.

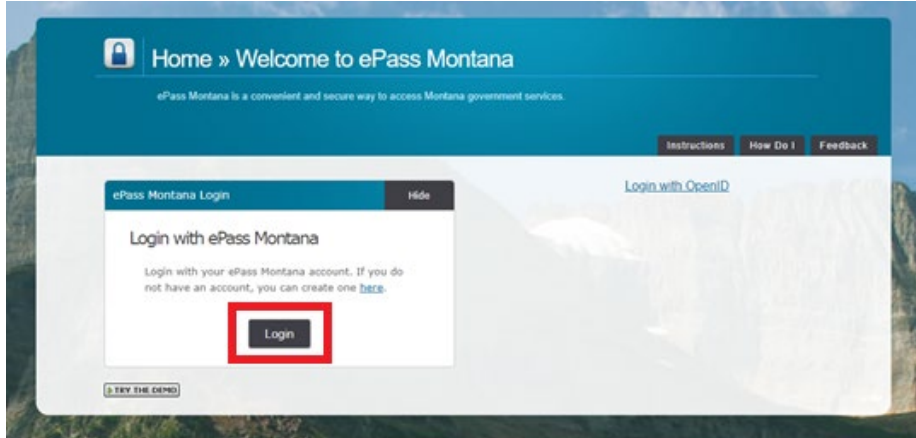

- Fill in the required fields and note the specified username and password you created. This will be used for future Kit Tracking access. Select “Save Changes” at the bottom of the registration page.
- ePass will create a new account and bring up “Register With Account” Page.

- f. Complete the information on the account (medical facility) you are registering with. For a list of all medical facilities available, click on the search icon. 
- g. Select “Register” when complete.
- h. You will be directed to the Medical Facility Kit Tracking home page.

## 2. Signing In

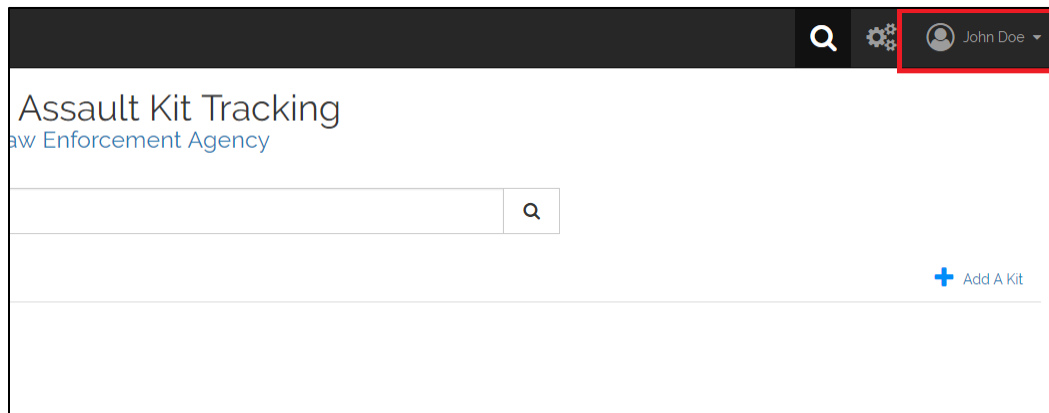

- a. Navigate to the Kit Track Portal URL: <https://svc.mt.gov/doj/kittrack>
- b. The browser will redirect you to the ePass Montana login page.
- c. Select the “Login” button and enter ePass login credentials.

- d. Upon successful login, the browser will redirect to the Medical Facility Kit Tracking home page in which the ePass account is registered.

## 3. Signing out

- a. In the top right corner of the portal, select your name.
- b. A drop down menu will appear; select “Sign Out.”

## 4. Adding Kit Inventory

- a. Kits will automatically be assigned to each medical facility and are located in the “Transfers In” tile on the facility home page.

Scan or Enter Kit Ids...

- b. Once the kits have arrived, you can check them into your inventory by Selecting “Transfers In.”
- c. Check the box next to the kit(s) you want to check into your inventory, then click on “Select.”

Q TRANSFERS IN ×

<input type="checkbox"/>	SAK ID	Status Reason	Source	Reason for Transfer
<input checked="" type="checkbox"/>	456123	Inventory	DOJ Victims Services	Distribute
<input checked="" type="checkbox"/>	456124	Inventory	DOJ Victims Services	Distribute
<input checked="" type="checkbox"/>	456125	Inventory	DOJ Victims Services	Distribute
<input type="checkbox"/>	456126	Inventory	DOJ Victims Services	Distribute
<input type="checkbox"/>	456127	Inventory	DOJ Victims Services	Distribute

- d. You can receive the kits into inventory one at a time by selecting “Receive Inventory” on each kit, OR you can receive the kits at the same time by selecting “Receive Inventory” in the top left corner. 

 **3** Receive Inventory

- e. For a single kit, select “Receive Inventory” on the specific kit.
- f. Enter the details, then select “Receive.” The kit will be removed from “Transfers In” and added to the “Inventory” tile on the home page.
- g. For multiple kits, select  , then Select  again.
- h. Enter the details, then select “Receive (# kits).” The kits will be removed from “Transfers In” and added to the “Inventory” tile on the home page.

## 5. Collect & Seal a Kit

- Click on the “Inventory” tile from the home page, then proceed to step B. If you are scanning a Kit ID or manually entering the Kit ID from the home page, proceed to step C.
