Dear <<Name 1>>:

We are writing to inform you of a data security incident involving www.mycountyparks.com, a website maintained by Iowa's County Conservation System ("ICCS"), which may have resulted in the disclosure of your name, address, and payment card information. We take the security of your personal information very seriously, and sincerely apologize for any inconvenience this incident may cause. This letter contains information about the incident, steps you can take to protect your information, and resources we are making available to help you.

On April 4, 2020 ICCS was first alerted to feedback received from several ICCS website users who discovered that fraudulent purchases were made on their payment cards after using the www.mycountyparks.com website. ICCS then quickly informed the host of www.mycountyparks.com to investigate.

On April 9, 2020, the host of the www.mycountyparks.com alerted ICCS that a technical investigation performed by the website host revealed previously undiscovered evidence that an unknown individual had placed a malicious code on www.mycountyparks.com as early as January 31, 2020. The malicious code was used to intercept payment card information of www.mycountyparks.com website users who made purchases on the website between the dates of January 31, 2020 and April 8, 2020. Upon discovery, steps were taken to swiftly secure the ICCS website, such as the removal of the malicious code.

At this time, ICCS has no evidence to indicate that the attacker responsible for the attack may have viewed or otherwise acquired any personal information other than your name, address, and payment card information. We are committed to ensuring the security of all information in our control, and are taking steps to prevent a similar event from occurring in the future. This includes strengthening our cybersecurity posture.

As a safeguard, we have arranged for you to enroll, at no cost to you, in an online credit monitoring service (myTrueIdentity) for one year provided by TransUnion Interactive, a subsidiary of TransUnion,[®] one of the three nationwide credit reporting companies.

To enroll in this service, go to the myTrueIdentity website at www.MyTrueIdentity.com and, in the space referenced as "Enter Activation Code," enter the 12-letter Activation Code <<12-letter Activation Code>> and follow the three steps to receive your credit monitoring service online within minutes.

If you do not have access to the Internet and wish to enroll in a similar offline, paper-based credit monitoring service, via U.S. mail delivery, please call the TransUnion Fraud Response Services toll-free hotline at 1-855-288-5422. When prompted, enter the six-digit telephone passcode <<6-digit Telephone Pass Code>> and follow the steps to enroll in the offline credit monitoring service, add an initial fraud alert to your credit file, or to speak to a TransUnion representative if you believe you may be a victim of identity theft.

You can sign up for the online or offline credit monitoring service anytime between now and <<Enrollment Deadline>>. Due to privacy laws, we cannot register you directly. Please note that credit monitoring services might not be available for individuals who do not have a credit file with TransUnion or an address in the United States (or its territories) and a valid Social Security number. Enrolling in this service will not affect your credit score.

Once you are enrolled, you will be able to obtain one year of unlimited access to your TransUnion credit report and credit score. The daily credit monitoring service will notify you if there are any critical changes to your credit file at TransUnion, including fraud alerts, new inquiries, new accounts, new public records, late payments, changes of address, and more. The service also includes access to an identity restoration program that provides assistance in the event that your identity is compromised and up to \$1,000,000 in identity theft insurance with no deductible. (Policy limitations and exclusions may apply.)

Please know that the protection of your personal information is a top priority, and we sincerely regret any concern or inconvenience that this matter may cause you. If you have any questions, please do not hesitate to call (855) 917-3466, Monday – Friday, 9:00am to 9:00pm Eastern Standard Time.

Sincerely,

Thomas F. Hazelton

For residents of all states:

Fraud Alerts: You can place fraud alerts with the three credit bureaus by phone and online with Equifax (https://assets.equifax.com/assets/personal/Fraud_Alert_Request_Form.pdf); TransUnion (<https://www.transunion.com/fraud-alerts>); or Experian (<https://www.experian.com/fraud/center.html>). A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years. The phone numbers for all three credit bureaus are at the bottom of this page.

Monitoring: You should always remain vigilant and monitor your accounts for suspicious or unusual activity.

Security Freeze: You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:
