**IMPORTANT INFORMATION. PLEASE READ IN ITS ENTIRETY.**

Distributed January 19, 2019 to approximately 80 persons residing at Immanuel Lutheran Communities, Kalispell, Montana.

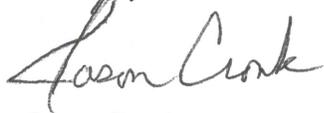

Dear Resident or other responsible party:

We have recently learned that a former employee of Immanuel Lutheran Communities has obtained, without authorization, a copy of a record which included your personal information, namely, your name, the amount of your monthly rent, and the account and routing numbers for the savings or checking account you use for automatic payment of your monthly rent. It appears that the employee obtained the record on January 8, 2019, while still employed by us. Please note that the information obtained did **not** include any PIN numbers, usernames, passwords or Social Security Numbers.

We have reported this incident to law enforcement, and will continue to cooperate with law enforcement with regard to this matter. In the meantime, we recommend that you contact your financial institution and ask what steps you can take to prevent anyone from obtaining unauthorized access to your account such as, for example, changing your account number.

We are sorry for any inconvenience. If you would like more information regarding this incident, please contact me at 406-752-9143 or [jcronk@ilcorp.org](mailto:jcronk@ilcorp.org).

Sincerely,
