Notice of Data Security Incident

Dear <<MemberFirstName>> <<MemberLastName>>,

We are writing to inform you of a data security incident experienced by Krehbiel & Associates, CPA (“Krehbiel”) that may have impacted the security of your personal information, including your name and Social Security number. We value our relationship with you, and sincerely apologize for any inconvenience this may cause you. This letter contains information about steps you can take to protect your information, and resources we are making available to help you.

1. What happened and what information was involved?

On February 27, 2017, a limited number of Krehbiel clients contacted us regarding notifications they had received from the IRS indicating possible fraudulent activity involving their accounts. We immediately hired a computer forensics firm to determine whether the issue arose from our systems, and the extent of any unauthorized access. On March 10, our forensics investigation determined that an unauthorized individual accessed our system between February 2 and February 13, 2017. During this period of time, the unauthorized individual may have gained access to some of the records stored on our systems. These records include information used to prepare tax returns, including your name, address, Social Security number, wage information, and bank account information if you provided it to us. If your tax return included a partner, spouse, or dependent, their information may have been impacted as well and they will be receiving a separate letter.

2. What we are doing and what you can do.

We take the security of your personal data seriously and regret any concern or inconvenience this incident may cause you. That is why we have arranged for you to receive credit monitoring and identity restoration services from Kroll at no cost to you for one year. Kroll is a global leader in risk mitigation and response, and their team has extensive experience helping people who have sustained an unintentional exposure of confidential data.

- Respond immediately to any IRS notice; call the number provided or, if instructed, go to IDVerify.irs.gov.
- Complete IRS Form 14039, Identity Theft Affidavit. Use a fillable form at IRS.gov, print, then attach the form to your return and mail according to instructions.

For residents of Massachusetts:

It is required by state law that you are informed of your right to obtain a police report if you are a victim of identity theft.

For residents of all states:

Fraud Alerts: You can place fraud alerts with the three credit bureaus at one of the three major credit bureaus by phone and also via Experian's or Equifax's website. A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. The contact information for all three credit bureaus is below.

Monitoring: You should always remain vigilant and monitor your accounts for suspicious or unusual activity.

Security Freeze: You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to send a request to each consumer reporting agency by certified mail, overnight mail, or regular stamped mail. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. The consumer reporting agency may charge a fee of up to \$5.00 to place a freeze or lift or remove a freeze, but is free if you are a victim of identity theft or the spouse of a victim of identity theft, and you have submitted a valid police report relating to the identity theft incident to the consumer reporting agency. You may obtain a security freeze by contacting any one or more of the following national consumer reporting agencies:

Equifax Security Freeze

Atlanta, GA 30348

Experian Security Freeze
