**IMPORTANT INFORMATION
PLEASE READ CAREFULLY**

Dear [REDACTED]:

The privacy and security of your personal information is of utmost importance to Potomac Healthcare Solutions, LLC. We are writing to provide you with information about a recent security incident involving some of your personal information. We want to provide you with information regarding the incident, explain the services we are making available to help safeguard you against identity fraud, and let you know that we continue to take significant measures to protect your information.

We recently learned that an unauthorized individual may have obtained access to two Potomac employee email accounts. We immediately launched an investigation in consultation with outside cybersecurity professionals who regularly investigate and analyze these types of situations to analyze the extent of any compromise of the email accounts and the security of the emails and attachments contained within them. Our investigation determined that the unauthorized individual accessed one of the accounts prior to January 20, 2018 and the other account between May 24, 2018 and June 18, 2018.

We devoted considerable time and effort to determine what information was contained in the affected email accounts. Based on our comprehensive investigation and document review, which concluded on October 31, 2018, we discovered that the compromised email accounts contained your full name, Social Security number, and driver's license number.

To date, we are not aware of any reports of identity fraud or improper use of your information as a direct result of this incident. Nevertheless, out of an abundance of caution, we wanted to make you aware of the incident, explain the services we are making available to help safeguard you against identity fraud, and suggest steps that you should take as well.

To protect you from potential misuse of your information, we are providing you with one year of free credit monitoring and identity theft protection services. Enclosed in this letter, you will find information on enrolling in a 12-month membership of Experian's IdentityWorks Credit 3B, a credit monitoring and identity theft protection service. This product helps detect possible misuse of your personal information and provides you with identity protection services focused on immediate identification and resolution of identity theft. IdentityWorks Credit 3B is completely free to you and enrolling in this program will not hurt your credit score. For more information on identity theft prevention and IdentityWorks Credit 3B, including instructions on how to activate

your complimentary one-year membership, please see the additional information provided in this letter.

This letter also provides other precautionary measures you can take to protect your personal information, including placing a Fraud Alert, placing a Security Freeze and/or obtaining a free credit report. Additionally, you should always remain vigilant in reviewing your financial account statements for fraudulent or irregular activity on a regular basis.

Please accept our apologies that this incident occurred. We are committed to maintaining the privacy of personal information, and we continually evaluate and modify our practices to enhance appropriate security and privacy measures.

If you have any further questions regarding this incident, please call our Corporate Human Resources Department at [REDACTED] during regular business hours. I also welcome your calls at [REDACTED].

Sincerely,

[REDACTED]

2. Placing a Fraud Alert.

Whether or not you choose to use the complimentary 12 month credit monitoring services, we recommend that you place an initial 90-day "Fraud Alert" on your credit files, at no charge. A fraud alert tells creditors to contact you personally before they open any new accounts. To place a fraud alert, call any one of the three major credit bureaus at the numbers listed below. As soon as one credit bureau confirms your fraud alert, they will notify the others.

Equifax
P.O. Box 105069
Atlanta, GA 30348
www.equifax.com
1-800-525-6285

Experian
P.O. Box 2002
Allen, TX 75013
www.experian.com
1-888-397-3742

TransUnion LLC
P.O. Box 2000
Chester, PA 19016
www.transunion.com
1-800-680-7289

3. Consider Placing a Security Freeze on Your Credit File.

If you are very concerned about becoming a victim of fraud or identity theft, you may request a "Security Freeze" be placed on your credit file, at no charge. A security freeze prohibits, with certain specific exceptions, the consumer reporting agencies from releasing your credit report or any information from it without your express authorization. You may place a security freeze on your credit report by sending a request in writing, by mail, to all three nationwide credit reporting companies:

Equifax Security Freeze
P.O. Box 105788
Atlanta, GA 30348
<https://www.freeze.equifax.com>
1-800-685-1111
1-800-349-9960 (NY residents only)

Experian Security Freeze
P.O. Box 9554
Allen, TX 75013
<http://experian.com/freeze>
1-888-397-3742

TransUnion Security Freeze
P.O. Box 2000
Chester, PA 19016
<http://www.transunion.com/securityfreeze>
1-888-909-8872

In order to place the security freeze, you'll need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit reporting company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

If your personal information has been used to file a false tax return, to open an account or to attempt to open an account in your name or to commit fraud or other crimes against you, you may file a police report in the City in which you currently reside.

If you do place a security freeze *prior* to enrolling in the credit monitoring service as described above, you will need to remove the freeze in order to sign up for the credit monitoring service. After you sign up for the credit monitoring service, you may refreeze your credit file.

4. Obtaining a Free Credit Report.

Under federal law, you are entitled to one free credit report every 12 months from each of the above three major nationwide credit reporting companies. Call **1-877-322-8228** or request your free credit reports online at **www.annualcreditreport.com**. Once you receive your credit reports, review them for discrepancies. Identify any accounts you did not open or inquiries from creditors that you did not authorize. Verify all information is correct. If you have questions or notice incorrect information, contact the credit reporting company.

5. Additional Helpful Resources.

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them on the web at www.ftc.gov/idtheft, by phone at 1-877-IDTHEFT (1-877-438-4338), or by mail at Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580. Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcement for their investigations. In addition, you may obtain information from the FTC about fraud alerts and security freezes.
