

## **TASER User Certification Course**

The Montana Law Enforcement Academy will now be offering a TASER User Certification Course during the Law Enforcement Officer Basic Course as an elective. In providing this training, we hope to reduce the logistics and expense associated with agencies conducting this training for their new employees. We will also be offering this course to all law enforcement agencies in the State of Montana who may want to certify other officers not attending the basic course.

The course is 10 hours in length and will be conducted Monday, April 25, 2016 to Thursday, April 28th, 2016 from 6 pm to 8:30 pm during week 4 of the basic course. Cost is \$45.00. Participants will receive 10 hours P.O.S.T. credit for the training. The instructor is Tom Munsey, a Senior Master Instructor with TASER International.

Agencies wishing to have an officer participate in this training will need to return this application.

### **What the Student Needs To Bring**

Department Issued TASER                      TASER Type (Circle one)      X2    X26    X26P

4 Cartridges (at least one live cartridge)
