We are strongly urging all customers to notify their issuing bank of this incident to inform them that your account may be at an increased risk for fraud and so they can flag your account. Please note that when signing up for monitoring services, you may be asked to verify personal information for your own protection and in order to confirm your identity.

State law allows consumers to place a fraud alert on their credit reports. A fraud alert is a cautionary flag, which is placed on your credit file to notify lenders and others that they should take special precautions to ensure your identity before extending credit. When you place a Fraud Alert, you can provide a mobile or other phone number for lenders to contact you to verify that the party applying for credit is actually you, not a fraudster.

If you choose to place a fraud alert on your own, you will need to contact one of the three major credit agencies directly at:

- **Experian (1-888-397-3742)**
- **Equifax (1-800-525-6285)**
- **Transunion (1-800-680-7289)**

Also, should you wish to obtain a credit report and monitor it on your own:

- **IMMEDIATELY** obtain free copies of your credit report and monitor them upon receipt for any suspicious activity. You can obtain your free copies by going to the following website: www.annualcreditreport.com or by calling them toll-free at 1-877-322-8228. (Hearing impaired consumers can access their TDD service at 1-877-730-4204.
- **Upon receipt of your credit report**, we recommend that you review it carefully for any suspicious activity.
- Be sure to promptly report any suspicious activity to TieMart, Inc.

You can also obtain more information about identity theft and ways to protect yourself from the Federal Trade Commission (FTC). The FTC has an identity theft hotline: 877-438-4338; TTY: 1-866-653-4261. They also provide information on-line at www.ftc.gov/idtheft.
