NOTICE OF DATA BREACH

Dear John Sample,

We are writing to tell you about a situation that may have exposed some of your personal information. We take the protection of your information very seriously and are contacting you directly to explain the circumstances, steps we are taking in response, and resources we are making available to you.

What Happened?

In mid-April, 2017, we discovered that an unauthorized individual had gained access to our network through an account with our security services provider. This unauthorized individual may have had access to certain systems that contained personal information of our donors. While our investigation is ongoing, we are providing this notice out of an abundance of caution to alert you to the incident because information about you was available through the affected system.

What Information Was Involved?

Information that may have been available includes names, contact information, donation amount, and the checking and routing information displayed on your donation checks. While this information should not typically be sufficient to grant access to your accounts with your financial institutions, we place a high priority on the confidentiality of our donor information, and wanted to alert you to this incident so that you may be vigilant against phishing attempts or other fraudulent requests, and to monitor your accounts for any suspicious activity.

What We Are Doing.

Upon discovery of the incident, the Foundation and its security provider immediately took steps to secure the system and block the intruder's access, and began an investigation to understand the scope of the incident. That investigation is still ongoing. The Foundation also reported the incident to federal law enforcement and is fully cooperating with their investigation.

What You Can Do.

We want to make you aware of steps you may take to guard against potential identity theft or fraud. Please review the enclosed Information about Identity Theft Protection about what you can do.

As an added precaution, we have arranged to have AllClear ID provide credit monitoring and identity repair services for twelve months at no cost to you. AllClear ID is a leading national provider of cyber security and identity theft protection services. The AllClear ID identity repair services require no further action and you may use them at any time during the next twelve months. You must take additional steps to sign up for credit monitoring.

Please be advised that this credit monitoring is being offered out of an abundance of caution to comply with guidance in certain states, and is not intended to suggest that recipients of the offer are at any substantial risk of harm.

AllClear Identity Repair: This service is automatically available to you with no enrollment required. If a problem arises, simply call 1-877-412-7152 and a dedicated investigator will help recover financial losses, restore your credit and make sure your identity is returned to its proper condition.

We recommend that you regularly review statements from your accounts and periodically obtain your credit report from one or more of the national credit reporting companies. You may obtain a free copy of your credit report online at www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by mailing an Annual Credit Report Request Form (available at www.annualcreditreport.com) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You may also purchase a copy of your credit report by contacting one or more of the three national credit reporting agencies listed below.

Equifax: P.O. Box 740241, Atlanta, Georgia 30374-0241, 1-800-685-1111, www.equifax.com
Experian: P.O. Box 9532, Allen, TX 75013, 1-888-397-3742, www.experian.com
TransUnion: P.O. Box 1000, Chester, PA 19022, 1-800-888-4213, www.transunion.com

When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. Look for information, such as home address and Social Security number, that is not accurate. If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

We recommend you remain vigilant with respect to reviewing your account statements and credit reports, and **promptly report any suspicious activity or suspected identity theft to us and to the proper law enforcement authorities**, including local law enforcement, your state's attorney general and/or the Federal Trade Commission ("FTC"). You may contact the FTC or your state's regulatory authority to obtain additional information about avoiding identity theft.

Federal Trade Commission, Identity Theft Clearinghouse

Or contact the Identity Theft Unit directly:

For residents of Massachusetts: You also have the right to obtain a police report.

For residents of North Carolina: You may also obtain information about preventing and avoiding identity theft from the North Carolina Attorney General's Office:

North Carolina Attorney General's Office, Consumer Protection Division
9001 Mail Service Center, Raleigh, NC 27699-9001, 1-877-5-NO-SCAM, www.ncdoj.gov

For residents of Vermont: You may learn helpful information about fighting identity theft, placing a security freeze, and obtaining a free copy of your credit report on the Vermont Attorney General's website at <http://www.atg.state.vt.us>.

Suggestions if You Are a Victim of Identity Theft:

- *File a police report.* Get a copy of the report to submit to your creditors and others that may require proof of a crime.
- *Contact the U.S. Federal Trade Commission (FTC).* The FTC provides useful information to identity theft victims and maintains a database of identity theft cases for use by law enforcement agencies. File a report with the FTC by calling the FTC's Identity Theft Hotline: 1- 877-IDTHEFT (438-4338); online at <http://www.ftc.gov/idtheft>; or by mail at Identity Theft Clearinghouse, Federal Trade Commission, 600 Pennsylvania Ave., N.W., Washington, D.C. 20580.
- *Keep a record of your contacts.* Start a file with copies of your credit reports, the police reports, any correspondence, and copies of disputed bills. It is also helpful to keep a log of your conversations with creditors, law enforcement officials, and other relevant parties.

Fraud Alerts: There are also two types of fraud alerts that you can place on your credit report to put your creditors on notice that you may be a victim of fraud: an initial alert and an extended alert. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for at least 90 days. You may have an extended alert placed on your credit report if you have already been a victim of identity

theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years. You can place a fraud alert on your credit report by calling the toll-free fraud number of any of the three national credit reporting agencies listed below.

Equifax: 1-888-766-0008, www.equifax.com
Experian: 1-888-397-3742, www.experian.com
TransUnion: 1-800-680-7289, fraud.transunion.com

Credit Freezes (for Non-Massachusetts Residents): You may have the right to put a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. In addition, you may incur fees to place, lift and/or remove a credit freeze. Credit freeze laws vary from state to state. If you have been a victim of identity theft, and you provide the credit reporting agency with a valid police report, it cannot charge you to place, lift or remove a security freeze. In other situations, the cost of placing, temporarily lifting, and removing a credit freeze also varies by state, generally \$5 to \$20 per action at each credit reporting company. *Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company.*

Because the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:

Equifax: P.O. Box 105788, Atlanta, GA 30348, www.equifax.com
Experian: P.O. Box 9554, Allen, TX 75013, www.experian.com
TransUnion LLC: P.O. Box 2000, Chester, PA, 19022-2000, freeze.transunion.com

The credit reporting agencies have three business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze. You can obtain more information about fraud alerts and credit freezes by contacting the FTC or one of the national credit reporting agencies listed above.

Credit Freezes (for Massachusetts Residents): Massachusetts law gives you the right to place a security freeze on your consumer reports. A security freeze is designed to prevent credit, loans and services from being approved in your name without your consent. Using a security freeze, however, may delay your ability to obtain credit. You may request that a freeze be placed on your credit report by sending a request to a credit reporting agency by certified mail, overnight mail or regular stamped mail to the address below:

Equifax: P.O. Box 105788, Atlanta, GA 30348, www.equifax.com
Experian: P.O. Box 9554, Allen, TX 75013, www.experian.com
TransUnion LLC: P.O. Box 2000, Chester, PA, 19022-2000, freeze.transunion.com

Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. The following information should be included when requesting a security freeze (documentation for you and your spouse must be submitted when freezing a spouse's credit report): full name, with middle initial and any suffixes; Social Security number; date of birth (month, day and year); current address and previous addresses for the past five (5) years; and applicable fee (if any) or incident report or complaint with a law enforcement agency or the Department of Motor Vehicles. The request should also include a copy of a government-issued identification card, such as a driver's license, state or military ID card, and a copy of a utility bill, bank or insurance statement. Each copy should be legible, display your name and current mailing address, and the date of issue (statement dates must be recent). The credit reporting company may charge a reasonable fee of up to \$5 to place a freeze or lift or remove a freeze, unless you are a victim of identity theft or the spouse of a victim of identity theft, and have submitted a valid police report relating to the identity theft to the credit reporting company.
